

2020 -- HOG Regional Rally

The Legends and Lore HOG Rally will be held in ***Cumberland, Maryland June 25-27, 2020***. Cumberland is in the Allegheny Mountain Range, part of the legendary Appalachian Mountain System, the oldest mountain chain in North American.

Explore three centuries of American history including coal mining, moonshine, rail roads and the National Pike. There will be daily guided rides, on-your-own adventures, and evening entertainment. Events include evening street parties with musical entertainment and food and beverage trucks; scavenger hunt; bike show and selfie challenge. Ride with us to pay respect to our heroes of 911 to the Flight 93 Memorial. Enjoy the twists and turns of the mountains through Savage River, enjoy breathtaking views, covered bridges and little known local points of interest. From mountains to moonshine to train rails to the Appalachian Trail, there is something for everyone to enjoy as we explore the central Appalachians through Maryland, West Virginia, Virginia and Pennsylvania.

For those who are looking to explore the local area, take one of the scenic train rides along the Western Maryland Scenic Railroad; explore local history at the Allegany Museum and the C&O National Historical Park Museum; experience the great outdoors and rent bikes and tour the C&O canal towpath; take a kayak along the Potomac, or hike the trails.

We are working on evening shuttles, finalizing ride routes, and fine tuning event details, so stay tuned for more information. We are looking forward to seeing you in beautiful western Maryland! Registration will be available through www.HOG.com
